THE CEO FORUM was established in 1997 and is an outreach program of the Peter T. Paul College of Business and Economics, created to serve CEOs, CFOs, presidents and business owners in northern New England. The Forum provides its members with opportunities to meet and exchange ideas with their peers in business and industry in an informal setting. Beginning with networking time over a full breakfast, each event features a presentation by a corporate leader on a topic of current interest.

**MEMBERSHIP COST**
The annual membership fee is $795 and provides access for you and an associate at all six seminars. Please plan to attend—you’ll enjoy a great breakfast, learn what’s happening at UNH, and talk one-on-one with executives from a wide variety of companies. For further info, call Barbara Draper, director, at (603) 862-1107, or email, barbara.draper@unh.edu.
